

# BREAKFAST MEETING ON AGRICULTURE

HOSTED BY SENATOR GENE YAW AND REPRESENTATIVE FRED KELLER

On September 14th, we will be hosting a breakfast at the Country Cupboard. The speaker will be **Patrick McDonnell, Secretary of the Pennsylvania Department of Environmental Protection.**

This event, at no cost to you, is designed to listen to your concerns and answer your questions on how we can work together to improve agricultural conditions throughout our region. As your elected officials, we look forward to hearing your ideas.

If you have any specific detailed issues you would like to address, feel free to contact us in advance of the meeting so that we can have this information available for you.

We hope you can attend this worthwhile event. While there is no cost to you, it is important that you contact Senator Yaw's office to register. Please email Rita Zielonis at [rzielonis@pasen.gov](mailto:rzielonis@pasen.gov) or call (717) 787-3280.

We look forward to seeing you on the 14th and ask that you share this invitation with your family and friends in the agriculture community.
