

Resolution Against Open Primary Elections

WHEREAS, our closed primary election method is in jeopardy.

WHEREAS, an open primary allows individuals to vote who do not hold Republican values.

WHEREAS, an open primary would allow voters to choose values and platforms that do not agree with agricultural and Republican values.

WHEREAS, a closed primary allows a candidate to represent farmers in the general election.

RESOLVED, That the Pennsylvania State Representatives and Senators vote against open primaries.

RESOLVED, That the Pennsylvania Agricultural Republican members and Pennsylvania farmers notify their Pennsylvania State Representatives and Senators to vote against open primaries.
